Notes:
Includes only respondents who indicated that they do not have access to the Internet in their main patient care setting.

Column totals may exceed 100% as this question allowed for multiple responses.

NR=No Response.

This question was asked only of those respondents who completed the long questionnaire.

The responding sample (size: n) has been weighted to represent the population (size: N). Further detail available at www.nationalphysiciansurvey.ca.

** Responses suppressed when column n is less than 30.
