Does not have any electronic aids on a wireless device	86.3%	**	**	84.9%	88.7%	

Notes:

Column totals may exceed 100% as this question allowed for multiple responses.

NR=No Response.

This question was asked only of those respondents who completed the long questionnaire.

The responding sample (size: n) has been weighted to represent the population (size: N). Further detail available at www.nationalphysiciansurvey.ca.

** Results are suppressed when there are fewer than 30 respondents.
